

Tips to Beat The Heat For Pets!

Keep Consistent Access to Fresh, Clean, Cool Drinking Water

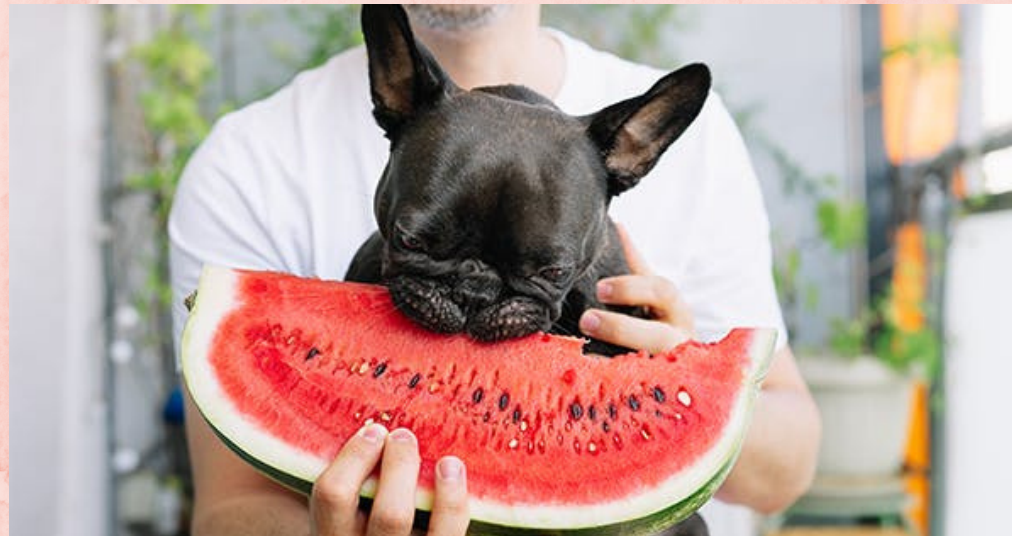

Keep your pets in cool, well-ventilated spaces

Protect your pets from the sun: Ensure all pets have access to adequate shade, and good air flow.

Avoid hot surfaces & walking and exercising during hottest parts of the day

NEVER leave your pet in a car & NEVER leave pets unsupervised around a pool

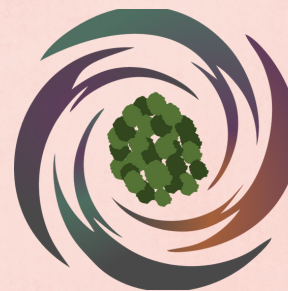

Some Cold fruits and ice cubes can entertain your pets while keeping them cool
